ELENA ALFÉREZ

ACTRESS

ABOUT ME

Hello, my name is Elena Alférez. I consider myself a fortunate person. I do theater, cinema, fiction series, and, why not say it, a fairly decent paella. I try to only associate with people who make me laugh. When I was little, I suspected it was a good idea, and boy, was I right!. I also love cooking, reading, drawing, dancing flamenco (my neighbors love that free show), and above all, taking care of my friends.
